

Nordic's PSP-151530-MG-CB-FIBER

Nordic's Home for Fiber Enclosures

- Nordic's PSP-151530-MG-CB-FIBER pedestal is the enclosure for a fiber optic enclosure.
- Lockable and Removable lid allows open access for easy training of fiber strands inside the flared base.
- Pedestal's built-in mounting bracket makes it easy to attach the fiber optic enclosure.
- The word "FIBER" is imprinted on the top lid.
- *Hand holes available for other fiber applications.

*Weight loading limited to Pedestrian traffic only
