

Pedestals - Tap - Fiberglass

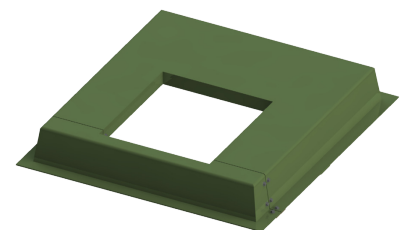

Product	Top Width	Base Width	Base Depth	Height
 <p>ND-362454-MG-4HDB-X-X</p>	36.5"	64.5"	51.5"	55"
 <p>ND-403264-MG-4HDB-X-X</p>	39.5"	64.5"	51.5"	63.5"

Replacement - Transformer Pads

- The RTP-42.5-45.5-7-MG-22x24 can be installed directly over rusted metal ground sleeves or after removal of the damaged sleeves.
- Front partition is removable for electrical cables to slide through during installation without disconnecting the power.
- The two-piece unit is joined by driving 3/8" stainless steel bolts into the floating nut assemblies on the sides and flange of the sleeve.
- The fiberglass laminate is produced with chopped glass and woven roving.
- UV & Fire resistant.

Product	W-Top Width	D-Top Depth	H-Height
