

Extenders & Adapters

- Extenders & adapters are designed to fit over 37" wide x 43" deep box pads.
- The fiberglass laminate is produced with chopped glass and woven roving.
- Extenders extend the box pad up another 4" above grade.
- Units are a combination chopped glass spray up and hand lay-up with woven roving.
- UV & Fire resistant.

Product	W-Width	D-Depth	H-Height	W-Top Opening	D-Top Opening

Flexi-Flags

Hydrant Flags (Spring loaded)

- FF-1: 53"
- FF-2: 72"
- Installation hardware included.

Hydrant Flags (Looped End)

- FF-1L: 53"
- FF-2L: 72"
- Simply remove the hydrant's housing cover and install the flag's loop over the threaded coupling, reinstall the cover with the flag.

Curb Marker Flags

- CM-1: 53" Spring loaded Curb Marker
- CM-2: 72" Spring loaded Curb Marker
- These curb markers help identify curb stops in parking lots covered by snow, reduces the chance of snow plows hitting them.

Cabinet Marker Flags

- FF-1C: 53" Spring loaded Cabinet Marker
- FF-2C: 72" Spring loaded Cabinet Marker
- These units can be bolted to the side of the cabinet.
- The orange flag can be seen above the snow covered cabinet or tall grass.
